

The IQHA/AQHA Charity Trail Ride
IQHA hosts the most attended AQHA trail ride annually

Come Join Us!

Riders of all disciplines and horses of all breeds are invited to join us and celebrate their love of horseback riding. The ride is an opportunity to explore new trails, meet other recreational riders and form new friendships. A three day weekend event that cooks your meals, provides a stall for your horse and entertains with music and auctions.

All of this while raising funds for Equine Assisted Therapy Programs in Indiana. All proceeds go to benefit these programs and the clients they serve. Whether it's a five-year-old with Down Syndrome, a 45 year old recovering from spinal cord surgery, a senior citizen recovering from stroke or a teenager struggling with depression, research shows that individuals of all ages who participate in these programs can experience physical and emotional rewards.

PATH, Intl. (*Professional Association of Therapeutic Horsemanship, International*) is a membership and accreditation association for organizations operating a program providing equine assisted activities and therapies committed to PATH's standards for safe, ethical and professional practices.

The IQHA Charity Trail Ride has donated over \$183,000, since the inception of the ride in 1997, to these worthwhile programs throughout the state.

You Can Help!

Come out to enjoy the ride weekend or consider supporting this very worthwhile cause through your donation. We are seeking items to auction at the ride or monetary donations to help offset the cost of the ride. All of our supporters will be added to our video for the upcoming year. Contact Suzanne Walters [by e-mail](#) or call 812-825-9338.

Join us on Facebook, [Indiana Quarter Horse Association-AQHA Charity Trail Ride](#) , to follow what is coming up for this years ride,

Riders enrolled in the IQHA Horseback Riding Program will earn bonus hours on this AQHA sanctioned trail ride.

Dave Flohr, IQHA National Director, and family have attended the IQHA Charity Trail Ride annually since its inception in 1998.

Overview of the AQHA Trail Ride Program.

All riders and horses of all breeds are welcome to participate in the AQHA Trail Rides. The Program began in 1997 and annually hosts nearly 80 rides across the country and around the world. The Ride Program is a great way to have fun on horseback, meet people from all aspects of the equine industry who love horses and riding and support many worthwhile causes. Riders will explore private ranches and some of the country's most scenic lands. Riders enrolled in the AQHA Horseback Riding Program will earn double the hours on these trail rides. [Visit the AQHA website](#) for more information.
